## **PROJECTS**

### **Phosphenes (2021) — Short Experimental ([watch here](#))**

Added to the [Mubi](#) database

Struggling mentally with the year 2020/2021 I decided to make a film based on the concept of sending my younger self a letter.

### **Wind in the trees (2020) — Short Experimental ([watch here](#))**

Added to the [Mubi](#) database

During the times of the lockdown and coronavirus I took it upon myself to document the times we were going through with an outlook from a friend and images from myself.

### **These days (2019) — Experimental Documentary ([watch here](#))**

Added to the [Mubi](#) database

During the year 2019 I completed a feature length film made by myself, with a focus on being young and somewhat naive in your early 20s.

### **Piercing Productions – [Website](#)**

This is a small budget production/distribution company I started to build exposure and films by upcoming filmmakers. I aim to market their films and share with as many people as possible to build their profiles.
